Hot Dawg 45K Garage Heater

\$899 - 5% = \$854

The ideal heating solution for residential garages and workshops, along with light commercial or industrial applications. With versatile installation options, the Hot Dawg® garage heater frees up more workspace by getting rid of space heaters that clutter up the area. The quiet operation allows your space to be warm without the distraction of a loud machine running in the background.

Modine's Hot Dawg® is available in 6 model sizes, ranging from 30,000 – 125,000 BTUs. All models can run on propane or natural gas, depending on your needs.

HD45AS0121

AMP057

Amp Dawg™ Electric Heater \$1,149 - 5% = \$1,099

Keep your garage, workspace, or basement warm with Modine's Amp Dawg™ Electric Unit Heater. Our premium, low-profile residential/light commercial electric heater is available in two sizes, 5.7kW and 9.0kW, keeping you warm and comfortable year-round.

The residentially certified 5.7kW unit allows for application flexibility throughout a home, such as a basement or garage. In contrast, the 9.0kW unit provides two stages of controlled heat that are perfect for larger workshops or garages. Modine designed the Amp Dawg™ to provide the heating and air throw on par with the Modine Hot Dawg® gas-fired unit heater. The durable, commercial-grade elements allow for top heating performance and durability.
